FAVORITE ROOFTOP BARS IN NEW YORK CITY

OCTOBER 17, 2018

The city that never sleeps, has definitely the best rooftop views. If you are planning to visit New York City and don't know where to go for the best cocktails, appetizer and views. Here are my top favorite rooftop bars in NYC:

Ophelia

What I love the most about Ophelia is the beautifully decorated interior in Art Deco style, and the stunning 360 view of the east side of Manhattan. Ophelia is located on the top floor of the historic 1920s residence for women, the Beekman Tower. Besides the view and great cocktails, you can have bites too, such as: truffle fries, oysters, crudité, cheese plate etc.
