Snow Globe in the Sky at [Ophelia](#)

Beekman Tower, 3 Mitchell Pl., at First Ave.; 212-980-4796

Spin around in a snow globe this winter on the top of Beekman Tower in Midtown East, where the art deco former Sinatra hangout is already infused with drama with its wraparound windows, blood-red stools, and deep blue walls. This winter, they're adding garlands of crystals and snowflakes, sheepskin throws and golden candelabras, plus new cocktails like the cognac, rum, cinnamon, and lotus cookie-infused Rising Star. *Opens November 14.*
